

## **INTRODUCTION**

Good morning, Sir/Madam. I am Sourik Pan, I am from Kolkata, West Bengal. I have done B. Tech from Academy of technology in Computer Science and Engineering department with 9.44 CGPA. Currently I am working as a CSD Intern at Cognizant. My joining date was on 11 January,2024. I am from Oracle EBS domain. So, coming to the Oracle EBS domain I have learned SQL and PL/SQL in Stage 1 and Oracle EBS, AOL Concepts, XML Publisher, Oracle Workflow Builder, Concepts of P2P and O2C Cycle, Conversion and Interface Concept in Stage 2. As a part of my training, I accomplished a project on building a XML Report using XML Publisher and implemented some functionalities of EBS such as AOL Functions. Apart from my technical training, I am a very good communicator and a quick learner. I am looking forward to join this project and contribute my skills. Thank You.
